DISCUSSION

Business context, Security
requirements, Worth pursuing?

Assumptions & Limitations

Domain.com.au

- Representative of real rental market in Victoria

Missing Income & Population

- Suburbs were missing income and population
- Top 10 recommendations not accounts all

Straight Line Distance

- Proportional to driving distance

Income and Population

- Only 2 limited factors to predict growth & price rate
- Static property features

Maximising Business Profit

Investors

- **Albert Park, Sunshine and Broadmeadows**
 - 21%+ rental growth predicted over 3 years
- Focus on Bedrooms, Bathrooms and Tram Stops.
Ignore Parking and Bus Stops

Renters

- Quality of life: West Melbourne, Seddon and Footscray
 - Near CBD
- Cheapest \$325-350 per week: Byaduk North, Hamilton and Golden Point
 - North and West Victoria

Privacy and Security

- No API keys
- Satisfied domain.com.au scraping terms of use
- Public use ABS dataset
- No data left the repository
